

## **First Communion Day**

Cathy Stamegna

Our gift to you, Dear Mother, on this Saturday in May,  
Is to present these children, it's their First Communion Day.  
Please take their hands and guide them, may they always be  
As close to Jesus as they are today.

The time that you've waited, the months that you've spent  
Learning about this Sacrament  
Have all come down to this day, this hour.  
Now it's your turn to come to Him,  
Open your hearts, let Him in,  
The Bread of Life, the Cup of Salvation, your Jesus.

Lead them to Your light,  
As they celebrate their First Communion Day, today!

Our gift to you, Dear Mother, on this Saturday in May,  
Is to present these children, it's their First Communion Day.  
Please take their hands and guide them, may they always be  
As close to Jesus as they are today.
